

NATHAN DAMIGO IS A NAZI

Damigo is a Senior at CSU Stanislaus and a Social Studies Major, He is Also the Leader in One of the Fastest Growing White Supremacist Groups in the US

- Nathan Damigo spent several years in jail for pulling a gun on a working-class cab driver because he was non-white.
- When Damigo was released from prison, he quickly rose up the ranks of the white supremacist movement, and became the leader of the Neo-Nazi National Youth Front (NYF), which was the youth wing of the American Freedom Party (AFP). When Damigo left NYF to form Identity Evropa, many of his fellow Neo-Nazis joined him.
- The American Freedom Party is a Neo-Nazi group that was founded by white power skinheads. It's leader, William Johnson, was once a delegate for the Trump campaign until his Neo-Nazi ideology came to light and he was removed.
- Damigo and Identity Evropa are close to Richard Spencer of the National Policy Institute (NPI), which preaches about building an all-white fascist ethno-state in North America and the need for "ethnic cleansing" of non-whites. Spencer models his beliefs after the Confederacy and claims that all races of people are not equal, and that his political system will uphold these racist values.
- Damigo attends the American Renaissance conference put on by white supremacist Jared Taylor, who is a spokesperson for the Council of Conservative Citizens, which grew out of the White Citizens Councils of the South and acted as a "Downtown KKK." The Council's writings also helped influence white supremacist serial murderer, Dylann Roof, who massacred African-American church goers. At this year's conference that Nathan attended, one of the speakers, anti-immigrant blowhard Peter Brimelow stated: "Next time there are illegal alien demonstrations, round them up and ship them out."
- While Damigo is based at CSU Stanislaus and lives in Oakdale, he has worked to get Identity Evropa posters and stickers up at campuses across California and the US. In Lindsborg, Kansas, Identity Evropa members left hateful messages around the local college campus reading, "Make Lindsborg White Again," and made threatening phone calls to the Dean of the College, who has black children. Through Damigo, Identity Evropa's network of hate and racism has gone - and in a violent direction.
- At the core of Damigo's worldview is the idea that there are extreme biological differences between men and women, Jews and non-Jews, and whites and everyone else. He believes for instance, that African-Americans and Latinos have lower IQs than whites and are more pre-determined to crime. This false "scientific racism" is used to justify white supremacy and fascism. Damigo stated:
"Ethnic and racial or religious diversity can actually wreak havoc on a social system, and cause tons of problems. I do believe that there are differences between human populations ... [T]he distribution of genes that affect behavior and intelligence are already known to not be equally distributed between all populations."
- Take action! Call Social Studies Department Chair Dr. Kevin Jasek-Rysdahl: 209-667-3182. Damigo also attends classes in the Demergasso-Bava Hall - tell him how you feel! If you see Identity Evropa posters and stickers, tear them down!
