STOP THE HATE.

Together we can block the Alt-Right before they get to their next Charlottesville!

Patriot Prayer has called two rallies on the West Coast, one in Portland on **August 4th** and another in Berkeley on **August 5th**. This shameful caravan is attempting to build ground support for the national fascist rally, "Unite the Right 2," in DC on **August 12th**.

But we can halt their march!

Last year's "Unite the Right" rally drew hundreds of alt-right nationalists into the streets of Charlottesville. That day their hateful politics culminated in a fascist driving his car into the counter protest, killing **Heather Heyer** in the street. This year, they are taking their malice and ideology on a nationwide tour.

If hate can bring out hundreds this August, we can unite in the thousands to stop them!

We in Portland remember what the alt-right ideology means. In 2017, a Patriot Prayer participant yelled racist epithets at two young Muslim women on TriMet. When three other riders tried to step in and deescalate, the white nationalist killed two of them.

On August 4th, we'll find safety in numbers. Crowd the streets to stop the hate tour and show the fascists that their racism and anti-immigrant violence will not be tolerated in our city!

We're better together — all out, turn out!
