

STOP the HATE

no RACISTS in

Together we can block the Alt-Right before they get to their next Charlottesville.

Patriot Prayer has called two rallies on the West Coast, one in Portland on August 4 and another in Berkeley on August 5. This shameful caravan is attempting to build ground support for the national fascist rally, "Unite the Right 2," in DC on August 12.

But we can halt their march!

At last year's "Unite the Right" rally, hundreds of alt-right nationalists came into the streets of Charlottesville. That day their hateful politics culminated when a fascist drove his car into the counter protest, killing Heather Heyer in the street. This year they are taking their malice and ideology on a nationwide tour.

If hate can bring out hundreds this August, we can unite in the thousands to stop them!

We in Portland remember the consequences of the alt-right ideology. In 2017, a Patriot Prayer-aligned protestor yelled racist epithets at two young Muslim women on TriMet. When three other riders tried to step in and deescalate, the white nationalist killed two of them.

On August 4th we'll find safety in numbers. Crowd the streets to stop the hate tour and show the fascists that their racism and anti-immigrant violence will not be tolerated in our city.

**WE'RE BETTER TOGETHER!
ALL OUT, TURN OUT!**
